ARTICLE V

LEAVES

5.1 SICK LEAVE

Each full-time teacher shall be granted twelve (12) days sick leave each year and the accumulation shall be unlimited. The use of sick leave shall be in accordance with Section 24-6 of the Illinois School Code.

Each teacher shall be notified of the number of accumulated sick days which they have to their credit at the beginning of the school year and after the end of each semester.

5.2 PERSONAL LEAVE

Each full-time teacher shall receive two (2) personal days for the transaction of business which cannot be transacted on non-school days. No more than four (4) teachers shall be granted personal leave from the district on any one day.

The district may waive the above restrictions in an appropriate case in its sole discretion. However, such waiver or non-waiver shall not constitute a precedent nor serve as a basis for any grievance under the provisions of this Agreement.

At the end of each school year, each full-time teacher may elect to have any unused portion of personal leave (one half day or more) credited to sick leave and/or personal leave for use in the following year(s). A teacher may accumulate a maximum of four (4) personal days.

5.3 ATTENDANCE INCENTIVE

An attendance incentive is offered annually, payable in the June payroll, to any full-time teacher with, not to include administrative approved professional days nor three (3) bereavement days per death. The three (3) bereavement days in this sense apply only to the chain of attendance, not to be confused with existing bereavement policy language. Use of bereavement days and administrative approved professional days are not considered in determination of perfect attendance. Dock days do count against the attendance incentive.

- \$600 is awarded if a teacher does not use any sick leave or personal leave.
- \$400 is awarded if a teacher uses only one day of sick leave or personal leave.
- \$100 is awarded if a teacher uses only two days of sick leave or personal leave.

5.4 BEREAVEMENT LEAVE

Such days may be utilized in the event of a death in the employee's immediate family or in his/her spouse's immediate family. For the purpose of this agreement, "immediate family" shall be defined as spouse,

domestic partner, child, stepchild, grandchild, parent, stepparent, brother, brother-in-law, sister, sister-in-law, son-in-law, daughter-in-law, aunt, uncle, grandparent, niece, nephew, or legal guardian. Such days shall also be available to be used in the event of the death of a close friend not mentioned above.

Use of extra days will be drawn from remaining personal days or accumulated sick leave days subject to approval by the teacher's building administrator.

5.5 **ASSOCIATION LEAVE**

The Association President or his/her designee shall be provided three (3) days per year release time to attend the Association business. The Association will reimburse the district for the cost of a substitute teacher.

ARTICLE VI

EMPLOYEE COMPENSATION

6.1 SALARY SCHEDULE ADVANCEMENT

Horizontal advancement is dependent upon graduate level courses taken in each individual's teaching field and approved by the Superintendent or other courses as approved by the Superintendent. Vertical advancement for service after July 1, 1986, shall not be conditioned upon completion of further course work.

The salaries of each currently employed teacher for the 2021-2022, 2022-2023, and 2023-2024 school years, respectively, are provided on the Salary Table provided with and incorporated as a part of this Agreement. The Salary Table identifies by reference number each currently employed teacher and the salaries of each such teacher for the respective 2021-2022, 2022-2023, and 2023-2024 school years. The amounts provided incorporate and already include advanced education adjustments and those TRS contributions "picked up" by the Board. No other adjustments are to be made to the salaries except for horizontal advancement based on education after the current 2020-2021 school year.

Where a teacher achieves horizontal educational advancement (e.g., BS+8 to BS+16, etc.) a flat Five Hundred Dollar (\$500.00) increase will be made to the designated salary of the teacher. No other adjustments will apply.

Placement of newly employed teachers or those who are not on the Salary Schedule, will be at the discretion of the Superintendent considering factors considered relevant by the Superintendent consistent with law, such as education and experience. Adjustments thereafter will apply as if the newly placed teacher was originally on the Salary Schedule.

6.2 HEALTH INSURANCE RE-OPENER

Should National Health Insurance guidelines and/or standards significantly impact the coverage, cost, or program components of our present insurance program for either the Board or the Teachers, the contract will be reopened to address the Health Insurance issue. This would apply anytime during the inclusive dates of this contract.

6.3 TEACHERS' PAY DATES

Teachers shall be paid bimonthly (7th and 21st unless the dates fall on weekend, holiday or nonwork day which will be paid prior). Salary shall be paid in twenty-four (24) equal installments.

Payment for extracurricular assignments will be paid in one (1) of two (2) ways as follow:

- A. Lump sum payment on the next pay period following completion of the season or event; or
- B. Lump sum payment in June

Indication of which method for salary and extracurricular assignments will be made at the beginning of the school year on a form supplied by the unit office. Also, if the payment method of A or B (above) is selected, the payee is requested to file a reminder for payment. There will be a joint responsibility to be sure increments are paid in a timely method.

Sick day adjusted tally will appear on the second (2nd) check of each month. It is recommended that salary deductions, additions or changes be made prior to the 1st check of the new school year (September), or immediately following the tax filing deadline (April 15th).

6.4 **SICK LEAVE BANK**

The Board of Education, in conjunction with the Southeastern Education Association, shall establish a Sick Leave Bank according to the following guidelines:

- A. The intent of this plan is to provide extended sick leave to those persons covered by this agreement who incur a period of prolonged illness, injury, or hospitalization. This plan is for employees only and not family members.
- B. The certified personnel or designated representative of the teacher should contact the Governing Committee within three (3) days prior to his/her need to draw upon the bank.
- C. All certified personnel from the Southeastern School District may join the Sick Leave Bank.
- D. Five members of the Southeastern Education Association appointed by the Association President will act as a Governing Committee in all matters that concern the policies of the Sick Leave Bank.
- E. The last day to join the Sick Leave Bank is two weeks after the start of school, or two weeks after a full-time certified staff member is employed and indicates they have had the Sick Bank explained.
- F. One (1) day per year is donated by each member to the Sick Leave Bank until the maximum number of days is reached. The member will have one (1) day of personal contracted sick days subtracted from his/her accumulated sick days. In the event a member is forced to draw from the Bank, that member will not be required to add a day to the bank the following year to remain a member. The maximum number of accumulated sick days shall be 180. Once the maximum is

reached, each new member will still be required to donate a day to the bank to become a member. These days will be kept in reserve to be used to fill in days as they become needed and before assessing current members any additional days to replenish the bank.

A member must use his/her sick days up first before drawing an amount from the Sick Leave Bank. Then days may be drawn from the Sick Leave Bank after a member has presented a doctor's written verification of his illness and his request has been approved by the Governing Committee. In no case shall the Sick Leave Bank provide more than 180 days per individual illness. If a prolonged illness or hospitalization for any person continues from one school year to another, that person will be entitled to no more and no less than the total number of days accrued from the accumulated sick leave and the Sick Leave Bank as calculated at the beginning of the illness.

- G. Whenever the Sick Leave Bank is depleted to 100 days, the Governing Committee shall assess all participating members one (1) additional day to restock the bank until the maximum is again reached. They shall be limited to restocking the bank to one time per school year.
- H. The member receiving the days from the Sick Leave Bank shall not be required to pay back the number of days borrowed from the bank.
- I. The member may not withdraw any donated sick days from the bank except through the above procedure.
- J. The sick leave bank may be terminated by a two-thirds (66%) vote of the current year's membership. If the sick leave bank is terminated, any contributing members who are currently employed by the district may regain up to their total number of donated days. If there are less than the total of all current employees' donated days available, then the days remaining will be pro-rated to the nearest one half, rounding down so that no days are returned that are not remaining in the bank. Any remaining days will be discarded.

6.5 **AFTER HOURS STAFFINGS**

If an employee is required to attend a staffing on Saturdays, Sundays, or holidays, he/she shall be reimbursed at the hourly rate of \$20.00 for every hour or portion thereof that they must work. In addition, if an employee must drive to the required staffing, they will be reimbursed the current district rate per mile driven (to and from).

6.6 **ADDITIONAL COMPENSATION**

- A. In addition to stated compensation on the appropriate salary schedule, the Board of Education shall pay:
TRS set rate.

All other dollars paid to TRS will be sheltered and forwarded to TRS on behalf of the teachers.

- B. The Board of Education shall pay a total of:
\$840.00 of health insurance per month for 2021-2022; for 2022-2023; and for 2023-2024.
- C. **Flexible Spending**
The Board agrees to pay the initial start-up costs, the annual administrative fee, and monthly member participating fees to a \$12 per month maximum. Any amount in addition to the \$12 maximum monthly participation fee will be deducted from the employee's pay. Participation in this Flexible Spending Plan is at the employee's option.
- D. **Tuition Reimbursement**
Teachers are responsible for maintaining a continuously high level of professional service and are responsible for discharging their assignments with professional proficiency.

Teachers who have two full years of consecutive years of contractual service with the District are eligible to request tuition reimbursement not to exceed \$900.00, for courses taken at an accredited educational institution for which a grade of "A" or "B" is received, or in the case of a pass/fail only course, a passing grade is received.

In order to receive the tuition reimbursement, said teacher must present the receipt for tuition paid and the grade transcript verifying course completion and grade received for said course within 90 days to the District Superintendent.

6.7 **TAX SHELTERED ANNUITIES**

The District shall provide an opportunity for employees to enroll in a tax-sheltered annuity program administered by the School District. A committee consisting of an equal number of administrators and Association representatives will oversee the selection of which financial vendors will be permitted to participate in the School District's tax-sheltered annuity program. Employees who wish to join or alter their participation in the tax-sheltered annuity program will be permitted to do so by notifying the District's Business Office prior to the 20th day of the calendar month so that their enrollment or alteration will become effective beginning with the first payroll period in the following month. Participation in such program is voluntary and District has no financial obligations related to an employee's participation in the program. Employees will only be able to enroll with financial investment vendors approved by the School District, as selected by the committee established by this provision.

6.8 RETIREMENT INCENTIVES

Eligibility

To be eligible for any of the following Plans, an employee must meet the following requirements as of the anticipated last day of service in the District: Must have served satisfactorily in the district continuously for a minimum of twenty (20) full-time years at Southeastern immediately preceding his/her retirement and one of the following:

1. Must be at least sixty (60) years of age by the last day of service in the District; or
2. Must be at least fifty-five (55) years of age with thirty-five (35) years of creditable service as defined by the Illinois Teacher Retirement System by the last day of service in the District.

The District may require proof of eligibility.

The irrevocable letter of retirement submitted pursuant to this provision may be submitted during any year in which this agreement is in effect although the effective date of retirement will be after the termination of this Agreement.

Definitions

For purposes of this Article, TRS creditable compensation (earnings) shall be defined by TRS rules.

One Year Plan

If an eligible employee gives the Board an irrevocable letter of retirement submitted under this provision prior to March 1 stating that he/she shall retire at the end of the next school year, the employee will be removed from the salary schedule and for the final year of employment the employee's TRS creditable earnings shall be increased by six percent (6%) over the employee's TRS creditable earnings for the year of employment in which such notice of retirement is given.

Two Year Plan

If an eligible employee gives the Board an irrevocable letter of retirement submitted under this provision prior to March 1 effective at the end of the next two (2) ensuing school years, the employee will be removed from the salary schedule and for each of the final two (2) years of employment the employee's TRS creditable earnings shall be increased in the first of such years by six percent (6%) over the employee's TRS creditable earnings for the year of employment in which such notice is given and shall be further increased in the second of such years by six percent (6%) over the employee's TRS creditable earnings for the first of such years.

Three Year Plan

If an eligible employee gives the Board an irrevocable letter of retirement submitted under this provision prior to March 1 effective at the end of the three (3) ensuing school years, the employee will be removed from the salary schedule and for the final three (3) years of employment the employee's TRS creditable earnings shall be increased in the first such years by six percent (6%) over the employee's TRS creditable earnings for the year of employment in which such notice is given; further increased in the second of such years by six percent (6%) over the employee's TRS creditable earnings for the first of such years; and, further increased in the third of such years by six percent (6%) over the employee's TRS creditable earnings for the second of such years over the employee's TRS creditable earnings.

Miscellaneous

Once an irrevocable letter of retirement is submitted, the employee will not be assigned any additional TRS reportable duties not currently being performed without the consent of the employee.

If, after submitting an irrevocable letter of retirement, the employee resigns from or is removed from duties for which the employee was compensated the previous year, the employee's TRS creditable earnings will be adjusted accordingly. The excess amount of compensation will be refunded by the employee to the Board of Education by the June 30th of the year in which the employee resigns or is removed.

In the event an employee has submitted his/her timely irrevocable letter of retirement but fails to meet the specific eligibility requirements set forth above because of the employee's personal illness or life-changing circumstances personally affecting the employee, the Board, in its sole discretion, may allow the employee to rescind his/her letter of retirement, provided the employee returns to the Board any TRS creditable earnings paid to the employee in excess of the amount the employee would otherwise have received under the salary schedule for such year(s) in which the creditable earnings were paid. The Board of Education is under no obligation to allow an employee to rescind a letter of retirement and exercise of the Board's decision is not subject to the grievance procedures. It is specially understood that, for example, the availability of other retirement options, great benefits that might accrue, or circumstances that do not affect the employee meeting the requirements is not a basis to request that the Board of Education allow an employee to rescind a letter.

If legislation is enacted and/or administrative rules are adopted during the life of this agreement that result in a greater cost to the District than the costs generated by this agreement, the parties agree to re-open this provision of the contract for purposes of bargaining impact of the change. Such change, however, will not affect any employee who has already submitted an irrevocable letter of retirement.

6.9 **TEACHING EXPERIENCE**

Additional years of teaching experience may be granted upon the District's needs and not to exceed the employee's actual teaching experience by more than seven (7) years, if the employee is hired in one of the following positions: School Psychologist, School Counselor, and Speech Pathologist.
